

Whitesheet Primary Academy Geography Progression Grid

The progression grid outlines the specific knowledge and geographical skills which pupils are expected to learn within each phase, over a two year cycle in EYFS & KS 1 and over a four year cycle in KS2; along with the specific vocabulary which supports this understanding.

Geographical Skills and Fieldwork Techniques

Skills are progressive children build upon these across the key stages – EYFS & KS 1 → LKS2 → UKS2

Recognise – Identify – Describe – Observe – Select - Categorise – Classify – Sequence – Compare and Contrast – Recall – Reason / Speculate – Summarise – Synthesise - Explain – Demonstrate Understanding – Empathise – Reach informed conclusions – Make Reasoned Judgements – Justify – Apply – Evaluate – Critique – Hypothesise

At EYFS:	At Key Stage One:	At Lower Key Stage Two:	At Upper Key Stage Two:
<p>Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response to stories or events.</p> <p>Ask simple geographical questions</p> <p>Explore their outdoor area, school grounds and local environment</p> <p>Notice and describe some of the features of the local area using appropriate geographical vocabulary and simple map work</p> <p>Understand the purpose of a map</p> <p>Draw simple picture maps</p> <p>Verbally express own views by using appropriate geographical vocabulary about weather and places that they like and have visited</p> <p>Communicate by talking, making and drawing.</p> <p>Use photographs to learn about features of a place.</p> <p>Follow simple directions (up/ down forwards, backwards)</p>	<ul style="list-style-type: none"> • GSF1: Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage. • GSF2: Use simple compass directions (North, South, East and West) and locational and directional language [i.e. near and far; left and right], to describe the location of features and routes on a map • GSF3: Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key • GSF4: Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment 	<ul style="list-style-type: none"> • GSF1: Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied • GSF2: Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of OS maps) to build their knowledge of the UK and the wider world. • GSF3: Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies. 	<ul style="list-style-type: none"> • GSF1: Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied. • GSF2: Use the eight points of a compass, four-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom in the past and present. • GSF3: Extend to 6 figure grid references with teaching of latitude and longitude in depth. • GSF4: Expand map skills to include non-UK countries • GSF5: Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

Location knowledge

<p>At EYFS:</p> <p>Children know about similarities and differences in relation to places, objects, materials and living things.</p> <p>Recognise and describe some of the features of the United Kingdom and other countries which are different from the environment they live in</p>	<p>At Key Stage One:</p> <ul style="list-style-type: none"> LK1: Name and locate the world’s seven continents and five oceans LK2: Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas 	<p>At Lower Key Stage Two:</p> <ul style="list-style-type: none"> LK1: Locate the world’s countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities LK2: Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time LK3: Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night) 	<p>At Upper Key Stage Two:</p> <ul style="list-style-type: none"> LK1: Locate main countries in Europe and North or South America. Locate and name principal cities LK2: Compare 2 different regions in UK rural/urban. LK3: Locate and name the main counties and cities in England. LK4: Linking with History, compare land use maps of UK from past with the present. LK5: Identify the position and significance of latitude/longitude and the Greenwich Meridian. Linking with science, time zones, night and day
--	---	---	--

Place Knowledge

<p>At EYFS:</p> <p>Children talk about the features of their own immediate environment and how environments might vary from one another.</p> <p>Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps.</p> <p>Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and maps.</p>	<p>At Key Stage One:</p> <ul style="list-style-type: none"> PK1: Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country in Australia. PK2: Understand geographical similarities and differences through the study of places linked to other topic areas, i.e. Sydney, Australia and Asian countries such as India and Nepal. 	<p>At Lower Key Stage Two:</p> <ul style="list-style-type: none"> PK1: Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a study of India. PK2: Understand geographical similarities and differences through the study of places linked to other topic areas, i.e. Egypt, parts of Prehistoric Britain and the Lake District. 	<p>At Upper Key Stage Two:</p> <ul style="list-style-type: none"> PK1: Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North/South America. PK2: Understand geographical similarities and differences through the study of key cities linked with current world issues.
--	--	--	--

Human and Physical Geography

<p>At EYFS:</p> <p>Identify some of the physical and human features observed during outdoor and local environment visits</p> <p>Understand the effect of changing seasons on the natural world around them</p> <p>Recognise some similarities in the way children live in other parts of the world</p> <p>Understand that children’s lives in other countries may be different to their own</p> <p>Develop an awareness that environments change</p>	<p>At Key Stage One:</p> <ul style="list-style-type: none"> HPG1: Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles use basic geographical vocabulary to refer to same. HPG2: Describe key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather. HPG3: Describe key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop. 	<p>At Lower Key Stage Two:</p> <p>Pupils will describe and understand key aspects of: HPG1:</p> <ul style="list-style-type: none"> HPG1: Physical geography, including: climate zones, rivers, volcanoes and earthquakes, and the water cycle and extreme weather events HPG2: Human geography, including: types of settlement and land use, economic activity including: trade links, and the distribution of natural resources including energy, food, minerals and water. 	<p>At Upper Key Stage Two:</p> <p>Pupils will describe and understand key aspects of:</p> <ul style="list-style-type: none"> HPG1: Physical geography including coasts and rivers and the water cycle including transpiration; mountains, climate zones, biomes and vegetation belts. HPG2: Human geography including trade between UK, Europe and ROW HPG3: Fair/unfair distribution of resources (Fairtrade). HPG4 : Distribution of natural resources including a study of a contrasting country in developing world

Cycle A	Autumn	Spring	Summer
	EYFS KS 1	EYFS KS 1	EYFS KS 1
Main Historical / Geographical Enquiry	What is the Geography of Where I live? Who was George Stevenson and What did he do?	Why don't Penguins need to fly?	What does it take to be a great explorer? Christopher Columbus Neil Armstrong Why do we love being beside the seaside?
EYFS enquiry and stories	<i>Oi get off our train</i> John Burningham <i>Peters Railway the picnic</i> Christopher Vine <i>The Little Train</i> Grahaeme Greene	<i>Where do Bears live?</i> <i>Something about a bear</i> Martin by Jackie Morris <i>Let's go home Little Bear</i> by Martin Waddell <i>Life in the Boreal Forest</i> by Brenda Cuibeson <i>The Bear's Winter Home</i> John Yeoman <i>Artic White</i> by Danna Smith <i>Little Polar Bear</i> by Hans De Beer <i>Artic Life</i> by Sean Callery <i>Polar Bears</i> by Mark Newman	<i>Why is the sea so blue?</i> <i>Hello Ocean</i> <i>One Tiny Turtle</i> <i>The Snail and the Whale</i> by Julia Donaldson <i>Into the sea</i> by Brenda Guiberson
Enrichment/ Trips	<i>Train ride to Sherborne – picnic in the park</i> <i>Ride on a steam train – East Somerset Railway</i>		<i>Field work trip to Lulworth education centre</i>
Ancillary Questions and content focus	AQ 1: What is Geography all about? AQ 2: Whereabouts in the United Kingdom do I live? AQ 3: What does GIS tell me about my local area? AQ 4: What are the main land uses within in my local area? AQ 5: How can we introduce people to physical and human Geography of our local area?	AQ 1: Where is Pip's home and what do we find there? AQ 2: How are penguins able to survive in Antarctica? AQ 3: How does Antarctica compare with the Sahara desert? AQ 4: How is the Arctic different from Antarctica? AQ 5: Why are there no Polar Bears in Antarctica? AQ 6: Why do Marco and Polo find visiting each other so difficult? AQ 7: So why don't penguins need to fly?	AQ 1: How is the seaside different from other places? AQ 2: How do people enjoy themselves at the seaside? AQ 3: What else did Sally find living in the rockpools at Wembury? AQ 4: How do people affect the beach at Wembury? AQ 5: Whereabouts in the world is Wembury? AQ 6: How have our seaside holidays changed since the 1970s AQ 7: How have great Artists and composers represented the seaside?

Cycle B	Autumn	Spring	Summer
	EYFS KS 1	EYFS KS 1	EYFS KS 1
Main Historical / Geographical Enquiry	What does it matter where our food comes from? Who is the greatest history maker? Guy Fawkes	How do our favourite toys and games compare with those of the 1960s?	How does Kampong Ayer compare with where I live?
EYFS Stories	<i>Mr Fawkes, the King and the Gunpowder plot</i> by Tony Bradman <i>Katie in London</i> by James Mayhew <i>A walk in London</i> by Salvatore Rabbino <i>Paddington at the Tower</i> by Michael Bond <i>Bonfire Night</i>	<i>Wilfred Gordon McDonald</i> by Mem Fox <i>Lost in a Toy Museum</i> by David Lucas <i>The Toymaker</i> by Martin Waddell (Walker Books, 1993) <i>Too Many toys!</i> By Heidi Deedman (Walker Books, 2015) <i>Lost in the Toy Museum: an adventure</i> by David Lucas (Walker Books, 2011) <i>Dogger</i> by Shirley Hughes (Random House, 1979) <i>Brown Paper Bear</i> by Catherine Allison (Macmillan, 2005)	<i>A house that once was</i> by Julie Fogliano and Lane Smith <i>Peepo</i> by Janet and Allan Ahlberg <i>Our House</i> by Martin Waddell
Enrichment/trips		Swindon Museum	
Ancillary Question and content focus	AQ 1: Where do dairy products come from? AQ2: Why are there so many dairy farms in Devon? AQ 3:How does Quickies Dairy Farm in Devon make cheese? AQ4: How does our list of favourite fruit and vegetables compare with the favourites of other people? AQ5:Why is it important to know all about sugar? AQ 6: Why does John have so many happy customers at his shop?		AQ 1:How do people's homes in Kampong Ayer compare with mine? AQ 2:How does the weather at Kampong Ayer compare with the weather where I live? AQ 3:ow do people in Kampong Ayer travel around compared with how people travel around where I live? AQ 4:How does going to school in Kampong Ayer compare with my school? AQ 5:How does the natural environment around Kampong Ayer compare with the natural environment around here? AQ 6:How does the GIS imagery of Kampong Ayer compare with the images of where I live?

Cycle D	Autumn	Spring		Summer	
	KS2	KS2		KS2	
Main Historical / Geographical Enquiry	The story of The Trojan Horse: historical fact, legend or classical myth?	How can we live more sustainably?	Why is it fair trade?	Why do Earthquakes cause so much damage?	How do volcanoes affect the lives of people in Hiemaey?
Stories					
Enrichment/fieldwork					
Ancillary Question and content focus		AQ1: What does being sustainable actually mean? AQ 2: How can we help to make our school more sustainable? AQ 3: Why are we seeing more wind and solar farms in the countryside? AQ 4: How is sustainable development helping the lapwing out of the red? AQ 5: How are solar cookers helping Sunita and her family to live more sustainably?	AQ 1: Why was this road so important 2000 years ago? AQ 2: Why does Marco Polo visit the United Kingdom every eleven weeks? AQ 3: What does the United Kingdom export to the people of China? AQ 4: Why isn't trade always fair for some people such as Melvin? AQ 5: Why is Fair Trade fair?	AQ 1: Why won't Paula and Richard forget 22 February 2011? AQ 2: How has New Zealand been affected by earthquakes in the past? AQ 3: Why does New Zealand have so many earthquakes? AQ 4: Why don't the largest earthquakes always cause the most death and destruction? AQ 5: Why do most volcanoes happen in the same places as earthquakes?	AQ 1:Where does Saethor take is dog Tiry for a walk every day? AQ2 :Where do Saethor and Tiry live? AQ3: How do Geographers describe the Westman Islands? AQ4: How does the physical and human Geography of Hiemaey compare with where I live? AQ5:Why are there so few trees on West Hiemaey? AQ6: Why are there volcanoes on Hiemaey? AQ7: How were the people of Hiemaey affected when Eldfell erupted? AQ8: Why do people of Hiemaey go on living next to a volcano?
