### Swimming in the Summer Term

Dear Whitesheet Families,

Now that the weather is (hopefully) going to get warmer the children can start to swim in our pool. All children need to have the following in school in a bag:

- a swimming costume/trunks (full costumes – no bikinis),
- a swimming hat (latex or cloth)
- a towel
- sandals or flip flop type shoes (which do not mind getting wet)

Please can we ask that everything is named.

**Everyone** will require their swimming kit in school **everyday** so that if conditions are suitable the children can swim when possible. Teachers and volunteers will have taken the Poolside Lifeguarding course run by a professional trainer.

In the last few years the school has worked hard to improve the swimming pool with well insulated walls around the pool and a heat exchanger to take warmth from the air to raise the temperature of the water. We also have had a new cover – thank you to the Friends – for both summer and winter.

Please go onto Arbor in the club section where there is a club called 'Swimming in school time'. Here you will be able to sign your child up to the club and give your consent for your child to swim in school, unfortunately if this is not completed your child will not be able to swim.

We are inviting parents to make a voluntary contribution of £10 for each child to help towards the costs of running the swimming pool, this can be paid through Arbor when giving your consent.

**This letter is confirmation of the swimming arrangements; but if you have any difficulty with these arrangements please let me your class teacher know.**

With our warmest wishes,

Emily Mullord
